Spec Sheet

Rotating and Swivel USB A to USB A Cable Adapter M/F

StarTech ID: GCSWUSBAMAF

The GCSWUSBAMAF Rotating USB Swivel Adapter converts a straight (180-degree) USB-A male connector to a swivelling, pivoting USB-A female connector, delivering a dependable way to connect your PC to a USB hub, or connect USB 2.0 peripherals to a USB hub.

Once connected to a standard USB cable, the adapter allows you to position the USB connector as needed, with the ability to rotate the connector (180-degrees, left-right), or swivel the connector (up and down, up to 270-degrees) to make the perfect connection.

Fully rated to USB 2.0 performance specifications, this durable USB adapter is backed by lifetime warranty.

Applications and Solutions

• Convert a straight USB A-A cable into a rotating, angled cable for easier connections to USB devices or hubs even in tight spaces

Features

- Designed and constructed to USB 2.0 specifications
- Supports data transfer rates up to 480 Mbps
- Works with a PC or Mac®
- USB connector rotates 180-degrees (left-right) and swivels up to 270-degrees
